The Museum Wadatsuminokoe

Why have we been unable to do away with war in our world? What did the war dead think about whilst in the battle fields? The writings left behind by student soldiers, along with war records and materials from the Asia-Pacific War will force us to confront these questions. The Museum Wadatsuminokoe has accumulated the personal and public materials, including letters and visuals, of these victims of war, and opens them up to visitors.
