- Sudden stops may occur at any time, if you are standing, please hold on to a hanging strap or handrail.
- When getting off, please stay in your seat until the bus stops.
- Please give your seat to persons who may need it, such as the elderly, passengers with disabilities and expectant mothers.
- Since B-GURU is a small bus, there is only one place where wheelchairs and strollers can be fixed. Even if the stroller passenger is on board first, the wheelchair passenger will be given priority.
- Only one wheelchair can be used at the same time. If there are passengers who are already in a wheelchair, only those who can fold the wheelchair and move to their seats can ride.
- As a general rule, one stroller can be used without folding. Place it backwards in the car and be sure to put a stopper on it. In the following cases, please cooperate with the folding of the stroller.
  - When the inside of the car is crowded
  - When other passengers using strollers or wheelchairs are on board
